LIFETIME ACHIEVEMENT AWARD

The Cricket Hall of Fame's Lifetime Achievement Award recognizes individuals who have made significant contributions to the sport of cricket, both domestically and internationally. This award emphasizes a lifetime of dedication, leadership, and service to the cricketing community, rather than performance-based accomplishments.

ELIGIBILITY CRITERIA:

While specific eligibility requirements are not publicly listed, past recipients suggest that honorees typically exhibit one or more of the following:

- A long-standing commitment to cricket as a coach, administrator, educator, or community leader.
- A profound impact on the development and promotion of cricket.
- A history of volunteerism, mentorship, and service to cricket organizations and youth programs.
- Induction into the Cricket Hall of Fame is a must.
- Lifetime achievement typically implies a minimum of 30+ years of active or supportive involvement in cricket-related activities, putting the average age of the candidate at 50+ years.

For example, JATIN PATEL, honored in 2023, was recognized for his multifaceted contributions as a coach, administrator, and educator, including founding the American Cricket Education Council and supporting numerous youth cricket initiatives across the U.S.
